Do You Know a Woman We Should Know?

A woman who has made a significant difference for girls and women in British Columbia through physical activity, sport or recreation? A woman who has worked to create access and opportunities for participation in physical activity, sport or recreation activities in British Columbia? A woman who inspires through her own athletic achievement, passion and dedication?

We are *celebrating BC Women in Sport* and are seeking nominations for inclusion in the *In Her Footsteps* exhibit at the BC Sports Hall of Fame. Potential candidates are women who have brought about significant positive change in the world of physical activity, sport and recreation in BC through their actions, passions, and commitment. This may include a woman who has achieved a high standard of athletic excellence or increased involvement opportunities for girls and women in physical activity, sport or recreation in British Columbia.

The exhibit, housed at the [BC Sports Hall of Fame](#), was launched in 2005 to recognize the achievements and contributions of women in sport in British Columbia. Currently the exhibit celebrates a selection of over 50 women leaders for their exceptional work in physical activity, sport and recreation in the province. Each year we add women to this distinguished list and we celebrate their achievements at an annual recognition ceremony.

The *In Her Footsteps... Celebrating BC Women in Sport* exhibit showcases women who have made a difference. It honours individuals; women who are or have been athletes, coaches, officials, builders, pioneers or advocates for girls' and women's participation in physical activity, sport and recreation. Above all, it honours women who have left a legacy and who are deserving members of the physical activity, sport and recreation communities in BC.
